P R E F A C E.

By Royal Letter, dated 8th February 1563-4, Mr. James Balfour, Parson of Flisk, Edward Henryson, Doctor of Laws, Clement Little, Advocate, and Robert Maitland were appointed first Commissaries of Edinburgh. The first volume of their Proceedings which is now extant commences on 15th October 1567, but from a Chronological Index, prepared several years ago by the Rev. Hew Scott, a few entries for the years 1514 and 1532 have been obtained, and from the Minute-Book a fragment of the contents of an earlier volume, commencing 3d May 1564 and ending 17th September 1565, have been got. The dates appended to these names have been printed in italics. The spelling also, for the sake of convenience in reference, has in many instances been modernised, the older form being given in brackets.

The Editor has to acknowledge much assistance from Mr. J. Maitland Thomson, Advocate, Curator of the Historical Department of H.M. General Register House.

INTRODUCTION.

THE Bishopric of Bristol was one of the six Sees founded about the year 1542 (the others being Chester, Gloucester, Oxford, Peterborough and Westminster) by Letters patent, authorised by Act of Parliament, 31 Henry VIII. c. 9, A.D. 1539-40. Until this date it had formed part, as did also Gloucester, of the Diocese of Worcester. From 1561 for a period of twenty-eight years it was held *in commendam* by the Bishops of Gloucester. From 1589 to 1836 the See was again a separate one; in the latter year, however, it was united with that of Gloucester, and remained so until this present year, 1897, when it has again a Bishop of its own.

The jurisdiction of the Consistory Court of the Bishop of Bristol at the formation of the See in 1542 was exercised over the City and Deanery of Bristol, and also over the whole of the County of Dorset, in which county there was also a court of the Archdeacon.

The Wills and Administrations in the Consistory and Archdeacon's Courts which relate to Dorset, are, and always have been, preserved at Blandford in that county, and the Calendars of those courts are now appearing in "The Index Library".

The present volume is a Calendar of such testamentary documents of the Consistory Court, relating to the City and ancient Deanery of Bristol, as are now preserved in the Probate Registry of that city.

The jurisdiction of the court was exercised over the following parishes, *viz* :—

Three parishes in Somersetshire which anciently, *i.e.*, before 1542, were in the Archdeaconry of Bath in the Diocese of Bath and Wells,

Abbot's Leigh,

St. Mary Redcliff, including the

Chapelry of St. Thomas,

Temple, otherwise St. Cross,

} These were originally Chapelries
of Bedminster.

Fifteen parishes in the City of Bristol, anciently in the Archdeaconry of Gloucester in the Diocese of Worcester, but now contained in the Deanery of Bristol,

All Saints,

St. Augustine the Less,

Christchurch, otherwise St. Trinity, united in 1788 with
 St. Ewen's, otherwise St. Owan's,
 St. James,
 St. John Baptist, including St. Lawrence, united about 1580,
 St. Leonard, united in 1766 with
 St. Nicholas,
 St. Michael,
 St. Mark, otherwise Gaunt's,
 St. Mary-le-port,
 St. Peter,
 St. Philip and St. Jacob,
 St. Stephen,
 St. Werburgh.

Seventeen outlying parishes, all in Gloucestershire, forming anciently the Deanery of Bristol, but now (except Clifton, which still remains in the Deanery of Bristol) forming the Deanery of Stapleton,

Almondsbury,
 Alveston, a Chapelry of Olveston,
 Clifton,
 Compton Greenfield,
 Elberton, annexed to Olveston in 1767,
 Filton,
 Henbury,
 Aust,
 Northwick, } Chapelries of Henbury,
 Horfield,
 Littleton on Severn,
 Mangotsfield,
 Olveston,
 Stapleton,
 Stoke Gifford,
 Westbury on Trym,
 Winterborn St. Michael.

As before stated, previous to 1542 the City of Bristol and the whole County of Gloucester were contained in the Diocese of Worcester, so that Wills and Administrations of people dying therein before 1542 ought to be found at the Probate Registry at Worcester, while those dying in the parishes of Abbot's Leigh, St. Mary Redcliff, including St. Thomas and Temple before 1542 ought similarly to be found at the Court of Probate at Wells.

The jurisdiction of the present Probate Registry includes the whole of the City and County of the City of Bristol, the City of Bath, also twenty-seven places in Gloucestershire and those places in Somerset-

shire which are comprised within the Bristol and Bath County Court District.

The earliest Wills now extant at the Probate Court of Bristol appear to have been proved in 1572, but how it is that earlier ones (that is to say, between 1542 and 1572) do not exist at this court has never, it is believed, been satisfactorily explained, though by some it is alleged that the riots of 1831 are responsible for the loss.

It may partly have occurred through the vacancy in the succession of Bishops between 1558 and 1562, and also through the See being, as already stated, held *in commendam* by the Bishops of Gloucester, though there are no Wills (or, at the most, four or five) at Gloucester relating to this Diocese between 1542 and 1572.

There are some transcripts of Bristol Wills in Vol. I. of the "Great Orphan Books" which covers the period 1379 to 1612, so that reference to the Calendar of this book is desirable.

The Administrations preserved at the Court of Probate at Bristol commence only at the year 1770, but it is more than probable that the earlier ones are amongst a mass of uncalendared documents in the Consistory Court in the Cathedral, which, it is hoped, will soon be placed in proper order, and a Calendar made which may perhaps be eventually printed as a supplement to the present volume.

It will be observed that in the Calendar now printed there are no names of places or parishes given. It certainly would have been more satisfactory to have had them stated, but as it would have entailed the opening of every document, for the official manuscript Calendar does not state the residence, it was thought better not to delay publication on this account. It must be remembered that the Consistory Court has always had a limited area of jurisdiction, and the great bulk of Wills and Administrations will therefore be of Bristol people only.

The Wills are all original ones, since the system of registering them was not in vogue at this court previous to 23rd October, 1767.*

There are no peculiar courts.

The Wills are endorsed and tied up in bundles of years, and, generally speaking, are in a state of good preservation and easily accessible by the clerk in attendance.

The requisite permission to print this Calendar was given by Sir Francis Jeune, President of the Probate Division, to whom the thanks of the Editor and subscribers are due, as well as to Mr. William Hurle Clarke, the District Registrar, who has on several occasions rendered assistance during the process of transcription and printing.

* There is one book containing copies of about fifty Wills of various dates between 1677 and 1723, the originals of all of which, except five, are in their respective bundles.

INTRODUCTION

to

THE GREAT ORPHAN BOOKS.

THE following Calendar forms a complete index to the contents of three ponderous volumes, now preserved in the Council House at Bristol, known as "The Great Orphan Book and Two Books of Wills".

In 1886 the late Rev. S. P. Wadley, a well-known Gloucestershire antiquary, made very full abstracts of the Wills (some 449 in number) contained in the first of these volumes, which appeared in book form under the auspices of the Bristol and Gloucestershire Archæological Society. In the Preface thereto Mr. Wadley explains that these Wills were chiefly those of persons whose children were minors at the time of the testators' death, and that the city authorities acted *in loco parentis* till their coming of age.

The dates comprised in each of the three volumes are as follows:—

Vol. I.	From 1379 to 1612,	No. of Wills	449
Vol. II.	„ 1633 „ 1674,	„	112
Vol. III.	„ 1612 „ 1633,	„	289

so that it will be seen that in chronological order Volume III. precedes Volume II.

In the Calendar now printed the names of the testators in all three books have been thrown in one list, which will facilitate reference. To those in Volume I. the page in Mr. Wadley's book has been added, and succeeds the folio of the original volume.

The Wills in the first volume appear for the most part to have been proved at Bristol, first by the ecclesiastical authorities and afterwards before the mayor and sheriffs.

The letters P.C.C. signify that the Will was proved in the Prerogative Court of Canterbury, and in some instances the reference to the Register at Somerset House is given (*e.g.*, Crimes, 10). Other Wills were proved at Lambeth, Worcester or Wells, and it is probable that with careful search at all these places the original Wills of many of those here calendared would be found.*

* It will be well to note that the Bishopric of Bristol was founded in 1542, so that Wills proved previous to this date are likely to be in the Probate Court at Worcester, of which See the City of Bristol till then formed part. As a matter of fact, only two Wills in Volume I. appear in the Bristol Court of Probate, namely, those of William Yeman, No. 322 (1574), and of Margaret Tyndal, No. 434 (1605).

The paging of Volume I. is peculiar; up to page 238 the numbering is on the right leaf only making one number to each opening. From 239 to 243 each page has a separate number. The next page after 243 is also numbered 243, while the following one is unnumbered; then follow two pages, 244 and 245, after which, to the end of the volume, each leaf is numbered as at the first.

The last four pages of Volume III. contain notes of special legacies taken out of the Wills in Volume I.

The thanks of the Editor and subscribers are due to D. Travers Burges, Esq., Town Clerk of the City of Bristol, in whose custody the "Great Orphan Books" now are, for his kindness in permitting free access to them in order to prepare this Calendar.

E. A. FRY.

* His widow Elizabeth married Thomas Prestwood.

A variation of the usual statement of proof:—

“This will was brought into the Court of Orphans in paper and unproved by said Robert Nokes on Friday, 16 January, 1645, and delivered to Mr. Maior, who gave it to the clerk to be recorded, and appointed him to deliver it to Thomas Prestwood, who married the widow and executrix, to prove the same, and then to secure this said Robert's legacy. This will was recorded and delivered accordingly, the 19 January, 1645, and afterwards, 14 May, 1645, leave was granted said Thomas Prestwood by Thursday next come fortnight to secure the xxl. legacy, which he assented unto. Witness his hand, THO. PRESTWOOD.”
